
Botnia-Atlantica

Botnia-Atlantica Spring Webinar

Welcome to join us for the Botnia-Atlantica
Spring Webinar

The webinar will take place June 9
13.00 -15.00 CET

Together we will take a quick look in the
mirror on Botnia-Atlantica 2014-2020's
achievements, and gaze forward into the new
Interreg Aurora-programme. Per Ekman,
Tendensor will speak about how to
successfully create locations that will attract
both talented manpower as well as
investments.

Also, the winners of last year's Arctic Award
will finally be celebrated.

We are looking forward to seeing you again!
